

Gamber-Johnson FZ-F1/N1 Rugged Handheld Tablet Powered Cradle

Engineered for the demanding work environments in utility, public safety, and material handling

Secure your handheld tablet in place

The FZ-F1/N1 cradle is designed to be used in either a horizontal or vertical orientation. Dock your handheld tablet in the cradle with just one hand. Simply slide the tablet into the cradle and press down to lock it in place. To remove it, squeeze the side release buttons and pull it out.

Certificates and testing

The cradle is designed and tested to rugged environmental standards. It's Toughbook Certified, and has passed MIL-STD-810G shock/vibration, RoHS, C-Tick, E Mark, and CE testing.
