ENERGY STAR® Certification Confirmation for Model S510 to Computers v8.0.

Dear Ellie Lin,

This letter serves as confirmation that the data provided by SGS Taiwan Ltd., Safety Laboratory for testing of your model S510 Notebook PC to the ENERGY STAR® Program Requirements for Computers V8.0, has been reviewed and found acceptable.

The EPA will be notified that your product meets the program requirements and the product specifications will be forwarded to the EPA for inclusion in the Qualified Products list. As your product is now ENERGY STAR® certified, it may bear the ENERGY STAR® logo in accordance with your partnership agreement with the EPA.

If you have any questions regarding this certification confirmation, please contact the Energy Efficiency Program Administrator, Martin Dodd ([martin.dodd@sgs.com](mailto:martin.dodd@sgs.com)) at 770.570.1802.

Thank you and best regards,

A handwritten signature in black ink, appearing to read 'MD', is placed above the printed name of the signatory.
